“

After witnessing a magnificent sunset from the balcony of their panoramic suite, they came down to the bar. Everything was a reminder of an exclusive English club.

But when the time came to choose a drink, they could only ask for a glass of Madeira wine, the greatest symbol of the century old relation of Madeira and Great Britain, favoured by Churchill and quoted by Shakespeare.

*In The Story of
A Noble Journey*

A Noble sight

Royal Savoy is located on the sea front, in Funchal, Madeira. Its site-specific architecture lets your eyes and soul fully capture the manifold shades of blue of the Atlantic ocean.

Just a step away from the charming historical, cultural and leisurely city center.

Feel just like royalty

The resort is a real immersion in the Atlantic, with private access to the sea, two oceanic pools (one heated) and amazing views over the Funchal cove. But if you think of water as a healthy element (sana per aquam) Royal Spa elevates the experience. A luxurious haven with a range of comprehensive facilities, such as sauna, steam bath, sensorial shower, ice fountain, indoor heated swimming pool and health club. The Royal Spa treatments rely on the well-trained professionals, certified eco cosmetics and natural beauty products of 100% organic ingredients.

Cosiness meets britishness
